(ERIE, PA) - Jill Houston, Supervisor of Sarah Reed Children's Center After School program and Dan Occasio, Sarah Reed Staff Counselor played an important part in Mayor Sinnott's press conference on Thursday, February 21, 2008. The group announced that Sarah Reed's after school program has teamed up with The Ere City Mission to assist with their campaign to 'Help the Homeless'. The first floor lobby of City Hall houses the main exhibit, and depicts life size cutouts of children involved in the program. The public is encouraged to drop-off canned goods and other non-perishable items. Clean and gently used clothing will also be accepted.
