## **Mandatory Water Conservation Notice**

### **PUBLIC ANNOUNCEMENT**

#### **Notification of Water Conservation – Mandatory Stage**

The following is an important message regarding mandatory water conservation. The Erie Water Works is requiring that customers eliminate all non-essential water use until further notice. All non-essential uses such as watering lawns or gardens and filling swimming pools are prohibited. Essential uses such as cooking and bathing are acceptable.

Due to continued dry weather conditions and temporary water production limitations, the Water Works is requiring its customers to decrease their water use by at least 25%. **If conservation levels are not achieved, temporary planned outages will be necessary.**

Please refer to the Erie Water Works website at [www.eriewater.org](http://www.eriewater.org) for more information and tips on how to conserve water.
