(b) Posting on Public Right-of-Way Prohibited. It is unlawful for any person to post a political campaign sign on or over any public property in the City.

(c) Posting Time Limits. It is unlawful for any person to post a political campaign sign more than ninety days prior to an election for which the sign is posted and to fail to remove a political campaign sign within thirty days after the election for which the sign was posted.

(d) Removal of Illegal Signs. The Director of Public Works, or his authorized agents, shall remove any political campaign sign found posted within the City limits that is in violation of this section.

(e) Authority of Public Works Director. For the purpose of removing political campaign signs, the Director of Public Works, or his authorized agents, are empowered to enter upon the property where the signs are posted, and the Director is further empowered to enlist the aid or assistance of any other department of the City and to secure legal process to the end that all such signs shall be expeditiously removed from any property where posted in violation of this section.

(f) Removal Procedure. When the Director or his agents shall find that a political campaign sign has been posted in violation of this section, he shall attempt to contact the candidate, committee or person responsible for posting such sign. If successful, he shall give twenty-four hours advance telephonic notice of his intention to remove the sign, indicating the nature of the violation and the location of the sign. If, after such notification, the illegal sign remains in violation, the Director or his agents shall remove such sign and store it in a safe location. If, after reasonable diligence, the Director is unable to contact the candidate, committee or person responsible for the sign, he may dispense with the notice requirement and remove the sign, storing it in a safe place.

(g) Storage, Notice and Return. If the Director or his agents remove any political campaign sign, he shall keep a record of the location from which the sign was removed. He shall store the sign in a safe place for at least ninety days, and shall immediately notify by telephone the candidate, committee or person responsible for the posting of the sign, indicating the fact of removal and the location where it may be retrieved. If the Director is unable to make telephone contact, he shall provide written notice, if the address of the candidate, committee or person is known or can be ascertained. The Director shall return any political campaign sign upon the payment of five dollars (\$5.00) for each sign, to cover the costs of removal, notice and storage.

In cases where unusual effort is needed to remove a sign, such as the cutting or removal of supporting structures, use of aerial devices, towing of trailer signs, or other unusual situation, the City shall collect from the person responsible a sum sufficient to cover the costs and hourly wages of the employees so utilized.

(i) Persons Responsible. In a campaign for political office, the candidate for such office shall be deemed responsible for the posting of his political signs, unless he first notifies the City Clerk and the Director that another person is responsible. In such case, the candidate shall provide the name, address, telephone number and signed consent of such other responsible person. In a campaign regarding a ballot measure, the president of the committee supporting or opposing such ballot measure shall be deemed responsible, unless he first notifies the City Clerk and Director of some other person responsible in the manner herein described.
