Erie County E-Cycling Events		451-6009

CONSTRUCTION MATERIAL:

Fiesler West Recycling	1202 West 16 th St	454-6609
------------------------	-------------------------------	----------

Material consists of concrete, asphalt, brick or block

CORRUGATED CARDBOARD:

All corrugated cardboard must be flattened and tied. Do not place boxes inside of boxes, or place paperboard (tissue, cereal boxes, etc.) with corrugated. Remove packaging such as plastic wrap and Styrofoam and dispose of properly. If the box is larger than 4ft., break it down. If the boxes are not flattened, it takes three items more space in the truck. Place next to your blue recycling container.

FREON:

(Fees will be charged depending on the amount disposed of.)

Beez Appliances	916 Parade St	455-2192
Waste Management	851 Robinson Road	824-7800

Other Appliance Stores certified to remove freon.
Once the Freon is removed, you must take it to Lincoln Metal or Liberty Iron.

HOUSEHOLD CLEANERS & OTHER HOUSEHOLD HAZARDOUS WASTE (HHW):

Corrosives: drain cleaners, rust removers, oven cleaners; Flammables: gasoline, kerosene, butane, oil base paint, paint thinners; Toxics: pool chemicals, pesticides, insecticides, herbicides, rat and mouse poison, flea collars, roach and ant killer, window cleaner, furniture polish, antifreeze, brake fluid, fluorescent lights, mercury, etc.

(Fees will be charged depending on the amount disposed of.)

Liberty Iron 646 East 18th St 452-4549
Lincoln Metal 1602 Selinger Ave 838-7628

PAINT:

Latex Based Paint:

Remove lid and let the contents air dry in your garage or basement or add a waste paint hardener or cat litter. Make sure the open can is out of the reach of children or little critters. When paint hardens, dispose of paint with refuse, the can, with the lid off, can be placed with recyclables into a blue bag at curbside.

Oil-Based Paint: Flammable-Household Hazardous Waste
(Fees will be charged depending on the amount disposed of.)
